WORK EXPERIENCE

Feb'26 – Present | Centime, Remote, B2B SaaS | Senior Manager - Marketing (Full-Funnel)

- ➔ Built and led Centime's full-funnel content engine as the company's marketing owner, making **organic the #1 inbound channel** and driving a **28% increase in Sales Accepted Leads (SALs)**, maintaining strategy to hands-on execution across SEO, AEO, nurture, partnerships, webinars, social, and web.
- ➔ Created the **company messaging framework** adopted as the **single source of truth** across sales, product, and marketing, aligning positioning for every campaign, feature page, gated asset, and sales conversation.
- ➔ Took Centime from **0 to 13 AI Overview citations as category leader in under 90 days**, beating the target by **60%**, and instituted weekly AI citation tracking to measure share of AI search.
- ➔ Authored SEO content and revamped a **290+ piece content library** to feed AI engines and search, publishing weekly blogs and lifting Centime to the **#3 position for designated keywords**, while growing organic traffic by **14% MoM**.
- ➔ Owned HubSpot nurture end-to-end for a **100,000+ prospect database**, building warm, hot, and cold segments layered with engagement scoring; weekly segmented nurture emails delivered a **32% average open rate and 3.1% CTR** and booked direct demo requests from nurture alone (6+ per quarter), a first for the company.
- ➔ Owned the webinar program end to end, drawing **200+ attendees per session** with **20% converting to MQLs**, and designed a 25-session webinar portfolio strategy mapped to funnel stage and ICP.
- ➔ Strategized and executed the **executive thought leadership program**, including CEO and leadership LinkedIn content, white papers, gated assets, and case studies; built the case study process from scratch, turning customer wins into a repeatable sales asset pipeline.
- ➔ Doubled G2 reviews (**+100%**) in two weeks at a **4.6 rating** by building a review engine with Customer Success, securing multiple G2 badges.
- ➔ Generated **\$149K in marketing-sourced pipeline across 22 opportunities** in June 2026, with full-funnel attribution reported to leadership.
- ➔ Ran a \$6K LinkedIn Thought Leader Ads pilot to a **2.68% CTR, 6x the platform benchmark**, proving a scalable paid amplification model for executive content.
- ➔ Partnered with sales through a weekly funnel review and a referral engine, and built **SAL intelligence reporting** segmented by channel, ICP, and buying signals to sharpen targeting and messaging quarter over quarter.
- ➔ Revamped core feature pages and launched new landing pages in Webflow in daily collaboration with the design team, validating conversion paths through Crazy Egg heat mapping and lifting **page conversion 18%**.
- ➔ Initiated and drove **marketing association partnerships, including with FEI (Financial Executives International)**, and owned the content supply for bank partnership channels, opening new trusted routes to the finance buyer.
- ➔ Owned HubSpot and marketing operations, automating **AI-powered cross-platform campaign briefing** across the stack (HubSpot, Google Analytics, Apollo, Webflow, SEMrush, Crazy Egg, AI tooling) and reporting weekly to leadership on **SALs, inbound mix, nurture performance, content output, and traffic**.
